

## Platone Newsletter #4.

Dear readers,

welcome to our fourth Platone Newsletter issue.

The Platone project is about to finalize its work! So, don't miss our Platone Final Conference "Digitalize DSOs to Unlock Flexibility" on June 28th 2023 in Brussels/hybrid to gain exclusive and latest insights in our project results!

With this newsletter we again provide you with selected updates on our activities in Platone. This time it's about how Platone paved the path for local flexibility markets, the study tour at our Italian demonstration and the latest Platone research papers presented at the CIRED 2023!

If you have any questions or if there is anything else you always wanted to tell us, please do not hesitate to contact us.

Best wishes from the Platone consortium!

## Platone Final Conference

Only one week to go – join us for the Final Conference ‘Digitalize DSOs to Unlock Flexibility’! The event will take place on June 28th, starting at 9 am at the beautiful venue The Faculty in Brussels with possibility of remote participation.

**Registration is still possible!** More information on our [website](#).

## Platone as Pioneer for Local Flexibility Markets in Rome

The lessons learnt in the Platone project have been used by Platone partner ar-eti, the DSO of Rome, to define RomeFlex project, a proposal addressed to Resolution 352/21 promoted by the Italian National Regulator Authority to experiment a local flexibility market. Read the full story [here](#).

---

## Platone at CIRED 2023

At this year's International Conference & Exhibition on Electricity Distribution (CIRED), Platone was represented with four papers in the CIRED Technical Sessions. The 27th edition of CIRED was held in Rome on 12-15 June 2023. Learn more about the papers of Platone accepted for CIRED [here](#).

## Successful Study Tour of the Italian Demonstration

How have the foundations for local flexibility markets been laid in Rome? At the Italian Platone Demonstration Study Tour in Rome on 20 June 2023 participants were able to find out. The study tour was broadcasted live from the Talent Garden in Via Ostiense in Rome. Read the event review and find the recording [here](#).
